Greetings from the Organizing Committee of IESCON 2026!

We are delighted to share that the 34th National Conference of the Indian Endodontic Society (IESCON 2026) will be hosted at the prestigious King George's Medical University (KGMU), Lucknow, from 8-10th October 2026.

This landmark event will bring together over 1000 delegates, including leading clinicians, academicians, researchers, and postgraduate students from across India and abroad. The conference will feature renowned national and international speakers, sharing insights on contemporary trends, technological innovations, and the evolving art and science of Endodontics.

A key highlight of the event will be the Trade and Exhibition segment, which serves as an integral part of the conference. It provides an outstanding platform for industry partners to showcase new products, materials, and equipment, and to connect directly with the professionals who shape clinical decisions and market trends. With a strong scientific program and large delegate participation, exhibitors will have the opportunity to interact one-on-one with practitioners, build networks, and enhance brand recognition across the profession.

To accommodate the diverse needs of our trade partners, we have curated flexible sponsorship packages, designed to benefit both emerging ventures and established companies. The Trade Committee is happy to engage in discussions to ensure fruitful collaboration and a rewarding experience for every partner.

Lucknow, known for its elegance, cultural charm, and gracious hospitality, will serve as the perfect setting for this academic and professional celebration. We look forward to your participation and partnership in making IESCON 2026 a remarkable success.

For all trade-related communication and sponsorship enquiries, please reach out to the Trade Committee. Our team will be pleased to assist you with details, discussions, and arrangements.

With warm regards,

Dr. Promila Verma
Organising Chairperson, IESCON 2026

Dr. Rakesh Kumar Yadav
Organising Secretary, IESCON 2026

Dr. Pradyumna Misra
Trade Chairman, IESCON 2026
