

IESCON 2026- Pre-Conference Course

Dr. Sanil Natekar

2. Mentor Bio-

Dr. Sanil Natekar is a leading microendodontist from India. He earned his graduation from MUHS in 2007, holds a Postgraduate Diploma in Hospital and Health Care Management from Symbiosis University, and completed his Masters in Endodontics with distinction from KLE University, Belgaum, where he ranked 3rd in the university and received several prestigious awards. Prior to his post-graduation, he gained clinical experience through private practice in Goa and a clinical assistantship at GDC Goa.

Operating a specialized microscopic endodontic practice since 2013, Dr. Natekar serves as Director of Endodontics Redefined and EndoTools, and acts as the Team Head for the EndoReplicas project with Columbia and Biovoxel Technologies (Slovakia). He is a Key Opinion Leader for Eighteeth, Orikam India, Labomed India, Admetec, Maarc Dental, and Septodont India. Through Endodontics Redefined—launched in 2016—he has trained thousands of dental graduates across 19 countries.

An international speaker, Dr. Natekar has represented India globally, lecturing and conducting hands-on workshops in Muscat, Guangzhou, Bangladesh (BADICON 2023), and Dubai (AEEDC 2025). He has also spoken at the Style Italiano Global Conference for three consecutive years. A lifetime member of the Indian Endodontic Society, he was awarded a Fellowship of the Bangladesh Academy of Dentistry International in 2023.
